Designing and programming websites mostly for friends and educational purposes.

ANDRÉ LINDÉN

WHO AM I?

This is what i look like

ABOUT ME

I am originally from Malmö Sweden. A father of 2 boys. A web developer who went from web developing as a hobby to making it my main profession. A hobby level musician who loves playing the guitar (also drums) and on occasion recording my own music. An evening gamer (a big Destiny fan). An educated chef who loves the creative and experimental side of cooking, though apparently found web developing more fun than cooking for a living.

PERSONAL INTERESTS

Family, traveling, listening to rock and synth wave music, playing videogames, watching sci fi movies and tv series, rollerblading and biking.

EDUCATION

08 Aug 1997 - 01 Jun 2000

Berga gymnasiet - high school, eslövs sweden

Chef school - Degree in culinary arts

SOCIAL AND LANGUAGE SKILLS

- Social and outgoing
- Easy to work with
- Swedish and English
